Foundation Faces to Graves Canadian War Graves Groesbeek

As a Canadian, I really appreciate how the memories and sacrifices of those fallen men are kept alive and honored through a digital monument. So it was a natural thing for me to get involved. As Executive Director of the Netherlands Canada Chamber of Commerce, I am often visiting Canada and having contact with a diverse group of companies and individuals. My mission is simple; to get the word out to as many Canadian families as possible so that we indeed have a 'face to every grave'.

The personal friendships I have made as a result of this have been unexpected but a real joy.
